Subject:-

Financing the project for the drainage of the Shimoga Town and the opening of a road along the bank of the Tunga river.

- - - - -

In Government Order No 7176-8/Ml. 196-14-11 dated 14th May 1917, Government approved of the raising of a loan of one lakh of rupees on the following conditions:-

(1) the loan to be repayable in 25 years and to carry interest at 5% per annum,

(2) one half of the loan with interest thereon to be borne by Government and the other half with interest by the Municipal Council.

A sum of Rs 20,000 was also promised to be advanced by Government as a loan to the Municipal Council during 1917-18, to start the work For the repayment of the loan the Municipal Council were ~~advanced~~ advised to consider the question of imposing a drainage tax in lieu of the proposed levy, by them, of a special tax on arecanut.

2. The Municipal Council then requested that, as it was not possible for reasons given, to enhance the local taxation, and to raise a loan at 5% interest, the entire amount required for the project may be advanced by Government as a free grant

Page 2 of Notes on cell Pg No 44-17

3. I then suggested that the provision of Rs.38,335 in the estimate for opening a road on the river bank may be omitted from the Scheme and that Government may sanction an outright free grant of half the amount of the estimate, the remaining half being found by the Municipal Council.

Page 3

Page 3

4. The Municipal Council in the meanwhile modified their proposal and represented that a moiety of the cost of the project may be sanctioned from State Funds under para 13 of the Government order of 16th November 1916 on the Local Self Government Scheme, the balance being found by the Municipality by raising a loan at 6% interest

Page 3 of Notes on cell Pg No 44-17

5 I then suggested that the revised proposals of the Municipal Council may be accepted and that a sum of Rs.20,000 may be given out of the current year's budget allotments, to start the work and that no reduction in the estimate suggested above (para 3), need be made in the above circumstances

Page 3 of Notes on cell Pg No 44-17

6 The First Member and the Dewan have expressed their concurrence with the above views (para 5)

Page 4

7. As the project has since been sanctioned by Government in the Public Works Department at a cost of Rs.85,495 and the work is necessary for the sanitary improvement

of Shimoga Town, I recommend that the Municipal Councils revised proposals may be sanctioned and a sum of Rs.20,000 be made available from State Funds during the current year.

85. Final Note by the Second Member of Council
